Poem by an unknown author

Walking With Grandma

*I like walking with Grandma,
Her steps are short like mine.
She doesn't say "now hurry up"
She always takes her time.*

Text

*I like to walk
with Grandma,
Her eyes see things
like mine do,
Wee pebbles bright,
a funny cloud,
Half hidden drops
of dew.*

Minimum
sponsors

Text

*Most people have to hurry,
They do not stop to see.
I'm glad that God made Grandma
Unrushed and young like me!*

Here is some breaking news...

Eddie Hodgson is all set to do a sky dive later in the year, in September... all we need now are sponsors – and probably some more volunteers to join him...
